

Village of East Hazel Crest

Police Department

708-798-2186 • FAX 708-798-2173

April 4, 2011

Call One has been tremendous to work with. Not only have they saved us about 30% on our phone bills, but we have received better service than through AT&T. I was skeptical at first considering that we are talking about Public Safety Emergency Numbers. We get better service even when it is an AT&T problem by calling Call One first. Call One solved problems that we had for years, prior to having their service.

I would highly recommend Call One.
