The Village of Plainfield switched to Call One for telecom service at the beginning of 2010. Since switching to Call One, we have realized savings not only on the services on our bill, but in the efficiency we gained by having a clean, easy to read bill and the prompt responses to our service requests. Call One provides excellent customer service and the staff is very professional and truly very easy to work with. We are extremely happy with our decision.

Rick Kaczanko
