To whom it may concern:

The decision to choose Call One as our telecommunications provider has proven to be a winner. From the very beginning, the village's experience with them has been very positive. They listened to our needs and concerns and designed a program to fit these and save the Village of South Chicago Heights money! They were able to "clean up", decipher the village's bill, and customize a bill that is manageable for the village. Customer service is #1 in for the village and Call One is the best.

Sincerely,

Paul E. Peterson
Village Administrator
